

1901 UK Census Extracts - Rosewarne

The following details are extracted from the 1901 UK Census (Public Record Office online transcript - <http://www.census.pro.gov.uk/index.html>). There is no guarantee whatsoever that the details included in the online transcript are accurate. As with any transcript, you should **always** check the original records if you think an entry may relate to your family. Not only will this verify that the details are correct, but the original record will contain additional information.

The census was taken on the night of 31 March 1901.
